Key Points:

- Timekeeping is important to ensure seamless transitions between concurrent block sessions.
- Please ensure that you arrive at the first scheduled block of sessions at least 10 minutes prior to the session commencement.
- Delegates are welcome to move between concurrent sessions during programmed recess breaks, however should refrain from moving between concurrent sessions once the schedule block of presentations has commenced.
- It is therefore important that delegates give careful consideration to their preference for the block sessions prior to their commencement.
